

Call to Action...There are many ways Kiwanians can help!

- 1. Get the Facts -- Leave your business card or contact information and we'll keep you updated on early learning issues.**
- 2. Spread the Word -- Build local support by inviting a member of the Early Learning Investment Commission Speakers' Bureau to talk to your Kiwanis club. Contact Diane Halstead, Director of Business Partnerships, at 717-213-2069 or diahal@berksiu.org.**
- 3. Give of yourself -- Volunteer to be a reader or tutor in a local childcare center and/or encourage your fellow employees to be literacy volunteers for young children.**
- 4. Encourage your club's Young Children Priority One (YCPO) committee chair to identify and implement opportunities to support the developmental needs of young children from birth to age five.**
- 5. Make the case -- Join our efforts to help policy makers understand the issues at stake. Contact your state senator and representative and ask them to support investment in the state's early childhood education programs. You can find biographical and contact information on these leaders and all members of the General Assembly on their web site at www.legis.state.pa.us.**
- 6. Tell a friend and/or colleague about what you heard today and let us know if you need additional materials to share with others interested in learning more!**
- 7. Participate in the "Learning is Everywhere" calendar project when it becomes available in the spring.**

Small children need big champions...become one today!
